### Initial Setup

1. Charging the battery: Plug the timer into a regular 125 Volts wall outlet for approximately 10 minutes to charge the memory back-up battery.
*Note: You can then unplug the timer from the power outlet and comfortably hold it in your hand to program the timer.*
2. Timer reset: Clear any previous data in memory by pressing R button after charging.
3. 12/24 hour mode: The timer by default is 12-hour mode. Press ON and OFF button simultaneously to change to 24-hour mode.
4. Set time: Press and hold TIME button, and then press HOUR and MIN to set current time.

---

### To Program

1. Press and hold ON button, and then press the HOUR or MIN to set ON program.
2. Press and hold OFF button, and then press the HOUR or MIN to set OFF program.

### To Operate

Press MODE button as necessary to display:
"ON" – the plugged in device remains ON.
"OFF" – the plugged in device remains OFF.
"TIME" – the plugged in device follows your programmed timer setting.

### To Connect the Timer

1. Plug the timer into a wall outlet.
2. Plug a home appliance into the timer, and then turn on the home appliance.

### Caution

1. Do not plug one timer into another timer.
2. Don't plug in an appliance where the load exceeds 15 Amp.
3. Always ensure the plug of any appliance is fully inserted into the timer outlet.
4. If cleaning of the timer is required, remove the timer from mains power and wipe it with a dry cloth.

---

5. Do not immerse the timer in water or any other liquid.
6. Heaters and similar appliances should never be left unattended during operation. The manufacturer recommends such appliances not to be connected with timers.

### FCC Information

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

### Limited Lifetime Warranty

Visit fosmon.com/warranty for Product Registration, warranty and limited liability details.

### Recycling the Product

To dispose this product properly, please follow the recycling process regulated in your area.
